Dear Dan:

This is to confirm your telephone conversation with us concerning the funding required by FOG for contracts no. SP-1917 (Call) and SP-1918 (T&M). Based on budgetary figures received from Bill Denard and our own plans, the best estimate at this time of the total FOG expenditures with Lockheed through 30 June 1958 is ~~\$200,000~~ each on SP-1917 and SP-1918. It is requested that you take the necessary action to fund the two new contracts, SP-1917 and SP-1918, in these amounts.

Sincerely,
